Mission Overview

Vision and Purpose

The vision of the For All Mankind Movement is to **reach** immigrant laborers with the gospel in the Gulf region who come from all over the 10/40 window, **equip** them to be obedient followers of Christ, and **send** them back to their home countries as missionaries to their own people. The For All Mankind Movement desires to partner with the local churches to enable them to fulfill their missional objectives through initiating, facilitating, and nurturing oral outreach strategies that result in church planting movements.

Strategic Initiative

Your mission is to facilitate launching new story groups among impoverished villagers in India through Compassion Kit parties. You will be working with existing story groups and house churches to encourage the believers and reap an evangelistic harvest. Raising Funds Online

To help make your fundraising easier, the team at Razoo has developed a system that allows you to fundraise alongside your teammates who will be on the Punjab trip with you. You are not required to fundraise using this system, but we have found that it's an easy way to make your campaign a great success. This system allows you to personalize your giving page, enables donors to give directly online and tracks the contributions toward your trip!

Below are the instructions you need to set up and personalize your account, join our team, and begin fundraising.

Setting Up Your Account:

1. Go to <http://www.razoo.com/team/Heart-For-Punjab-1>
2. On our team page go to "Join This Team" and click "Fundraise."
3. Create a free account by following the prompts, or create an account by linking to your Facebook.
4. After creating your account, you will be redirected to your personal team page. You will then be a member!

Personalizing Your Page:

We have already loaded default information that you are welcome to use. While this is great information, it is best to personalize your story on this page. Briefly share about your desire to serve on the Punjab short-term mission team and the impact FAMM is having on your life and in the harvest fields with the gospel. Also share a brief description of what you will be doing on this trip and why you want to invite them to join you with their prayers and support. Don't forget to add photos or videos to add that extra personal touch!

1. Click the "Admin" button at the top right of the page.
2. Keep the "Summary" section as it is currently set.
3. Edit the "Tell Your Story" Section.
4. Scroll down to "Set your Goals." The goal of \$2,550 has been set for you.
5. Set donation levels by selecting "Suggested Donation Amounts."
Our suggested donation amounts: (\$30, \$60, \$100, other)
6. Provide pictures and videos through the "Images/Videos" tab. Attached in this email are some pictures that you can use, as well as a video from Kevin Phillips, the President of the For All Mankind Movement.
7. Thank your donors through the "Thank Donors" tab. This will automatically be sent to donors who give toward your campaign. You can even create a video thanking them for their donation after they give a donation!
8. Share your fundraiser through the "Share" tab. Create a QR code or generate a widget from this page to add to your personal website or blog. Share your fundraiser on Facebook, Twitter, Google+ or by email.

Travel Documents

U.S. Passport Requirement

A U.S. passport that is valid for at least 6 more months after dates of travel is required for entrance into India. For new passports we recommend an Adult Passport Book. For instructions go to: <https://www.usps.com/shop/apply-for-a-passport.htm>

India Visa Requirement

An Indian visa is **required** for entrance to India for individuals with a U.S. passport. The FAMM Church Relations Team will send detailed instructions via email for applying for an Indian Visa.

Travel Insurance Considerations

FAMM does not require travel insurance, however, we recommend you check with your local insurance company to verify your coverage while traveling. If additional travel insurance is desired, affordable options are Trip Armor (<https://triparmor.mhross.com>) or Seven Corners (<https://www2.sevencorners.com/insurance-for-travelers>.)

Medical Considerations

FAMM does not require preventive medical treatment before coming on a trip. India does not require vaccinations for entry into the country. We suggest you visit your preferred physician 4-6 weeks before traveling to obtain any vaccinations or medications suggested for your travel.

Flight Information

Airfare will be purchased on April 11, 2017, after all final payments are made. If the total price of the trip is not received by this time, the price is subject to change based on airfare prices. **Before flights can be purchased, we request that you send us a copy of your passport, as well as confirmation of your India visa.**

Suggestions for the translator:

Training and Expectations

Sharing the Gospel in India is done through story form. At each CK party three stories will be shared: A personal testimony, a 'hook' story, and a gospel story. Your team should practice these three stories before arriving and be confident to tell them each day. Because the culture you will encounter prefers to learn and share through stories, it is crucially important to be as accurate as possible to the biblical record when sharing. All sharing will be done through a translator.

The stories chosen have proven to be very effective in starting story groups and seeing an evangelistic harvest. We suggest meeting together with your team and audibly practicing each of the three stories in the months leading up to your trip. Your team will break up into smaller groups of 2-3 people and host one or more Compassion Kit distributions each night. For this reason, everyone should be prepared to tell each story.

FAMM provides training resources which are available online. Go to <http://www.compassionkits.com/team-training-resources.html> to get started. The password is "goforit."

Food

In India we consider this an immersion into culture trip. Indians give food as their act of love. We will be eating food prepared by the host homes. It will definitely be a reflection of the local culture. Our FAMM – India team provides hosts homes with a menu of appropriate meals, money to provide the meals and safety procedures for cooking for foreigners. In dealing with the food, we follow Jesus' command in Luke 10, "Eat whatever they give you to eat." Be prepared to eat a lot and enjoy this part of the culture. One of our mottos for missions is, "When God calls your heart, He also calls your stomach!"

Transportation

FAMM will arrange all in-country travel.

Accommodations

When staying in the villages you will be staying in a host home in the area where you will be ministering. We try to provide the best housing available. You will be truly incarnational in the sense that you will experience the culture in every way, including your lodging. We guarantee that you will have a bed off the floor and a private place to use the restroom and shower.
